Friends of the Lions

Did you know? Banbury Lions have been supporting our community since 1969. Recent worthy causes include:

- Message in a Bottle
- Public Access Defibrillators
- Katharine House Hospice

However, we need more people to help us continue our work of raising more money to benefit the community locally, so we are forming a new group called "Friends of the Lions".

Everybody is welcome. It will be great fun for those who want to help.

Please talk to us or email banburylions@aol.com

Comments from riders:

- "Thank you to everyone for a fantastic fun ride. It's the second time we've been and it was great having access to the cross country jumps – especially as there were lots of little ones for those of us who are not very brave over jumps"
- "The ride itself was fabulous, no road work and loads of places to canter. The signs meant you couldn't possibly get lost and there were loads of people helping out on opening gates etc, which made it so much more fun"
